

Ben Marcato and his Mondo Combo

Ben Marcato

What motivates Marcato and his group? A genuine love of the jump blues and R&B of the late 1940s and '50s, the legacy of Louis Prima, Ray Charles, Louis Jordan and early Nat "King" Cole. "Somewhere in the post-World War II era, kind of where R&B was coming out of swing, that's where the soul of what we're recording is coming from," Marcato says. The enclosed CD emphasizes the band's love of blues in its many forms, from ballads to early rock 'n' roll.
