The Dick Bright Orchestra

Multi-talented musician, composer, arranger and bandleader, Dick Bright is the consummate entertainer. His highly respected orchestra possesses a unique ability to reach all audiences. The Dick Bright Orchestra derives its material from music of the Big Band Era, 50 's Rock 'n' Roll, Motown, Rhythm and Blues, and Adult Contemporary hits of today. Every effort is made to accommodate your special requests. Any combination is possible... From a solo instrument to a 16 Piece Big Band (with or without vocalists) including anything and everything in between.

In 1984 Dick Bright was appointed Musical Director of the renowned Venetian Room at San Francisco's Fairmont Hotel. There, in what is hailed as the West Coast's most prestigious supper club, he and his musicians worked with a stunning array of talent from Ella Fitzgerald to the Legendary James Brown. Warm, witty and highly personable, Dick Bright and his outstanding performers are comfortable in all stage situations because they create the situations. They not only attract but also fuse the creative and the positive.
