

vj/dj JIM HOPKINS

Jim Hopkins

DJ Jim Hopkins has been spinning records for 20 years and has played various styles of music including Underground Disco, Top 40 Dance, New Wave, Synth Pop, Modern Rock, Hi-NRG, Breakbeat and every style of House music. He has currently traveled to 48 cities throughout the United States to play his fusion of underground and pop dance music and spends most of his free time in the studio working on remixes for other labels as well as his own creations for his own record label, TWITCH RECORDINGS.

Over the past 3 years Jim Hopkins has moved into the world of Vjing. (Mixing videos live as if they were records) His gigantic library of dance music videos from the 60s, 70s and 80s to the current hits of today combined with his expert DJ and production skills, Jim Hopkins amazes his audiences with live, energetic and seamless audio and video mixes with a radio-style emcee. His newest contribution to the event entertainment industry is his successful, multi-media installation, POP40 VIDEO DANCE PARTY.
