

"...We wanted to take this opportunity to thank you and your musicians for a wonderful evening at the Giftcenter Pavilion. The music was excellent and the combination of Big Band and Rock and Roll was perfect! I can't begin to tell you how much everyone enjoyed the evening..."

--Jane Kalert, Meeting Coordinator AAGL

"...You, more than most, know how many little tasks and details it took to make the evening flow so smoothly. Your flexibility, cooperative spirit, and most especially, your willingness to go beyond what was requested to do what was necessary are warmly appreciated..."

--Eleanor Weber Dickman, Assistant Director
El Camino Hospital Foundation

"...Thanks again, this is the third year you have performed for us and you looked just as good and fresh as the first year. I appreciate your flexibility, professionalism, and great sound!..."

--Harry Joel, V.P California Pacific Hospital

The Rich Martini Orchestra 

The Rich Martini Orchestra

The Rich Martini Orchestra can do it all! We pride ourselves on being the perfect party band, performing the best tunes from every era. We've collected a vast repertoire of music that gets a crowd on its feet and turns a party into an event to be remembered! Imagine dancing to the great classics of the Forties like "In the Mood" and "Fly Me to the Moon," all in their original arrangements. Get shakin' to the tunes from the Fifties like "Goodness Gracious, Great Balls of Fire". The night wouldn't be complete without a visit to Motown in the Sixties and our revved-up version of "Respect" and "Ain't to Proud to Beg." Don't forget the Beach Boys or those great hits of the Seventies - remember "Play that Funky Music" and "Last Dance"? Cap off your event with the new party classics of the Eighties and Nineties - "Love Shack," "Express Yourself," "Zoot Suit Riot," "Smooth" and "La Vida Loca". Your guests can't resist dancing to the authentic sounds of every decade, delivered with an energetic style that puts them in the mood to celebrate! Rich Martini has led the group for the past fifteen years. It is easy to see why clients have been charmed by his easy manner and professional attitude; his way of treating each event as if it were his own party and he were the host. With a background in music performance and directing, this Cal Berkeley Business Graduate has built a reputation as leading one of the finest orchestras in the Bay Area. Rich is assisted by Johnny Staton. Both Johnny and Rich are interested in creating the perfect musical evening, whether an intimate solo piano, subtle background trio or full 17 piece orchestra (or a combination of them all). The band's versatility allows you to focus on an era, theme or a combination of both to accommodate all your guests, regardless of their age or taste - something for everyone.

Additional Songs

The Songlist is constantly changing to reflect current trends. Should you request a specific tune, please provide the music and a tape at least sixty days in advance, there may be an additional charge.

Band Configuration

The previous songlist was comprised with the twelve-piece big band. The majority of tunes can be performed as an eight piece however the repertoire of the Big Band generally requires a minimum of 12 in order to perform the original arrangements as heard on the demonstration tape. Groups of less than eight pieces may eliminate many of the songs, please consult Johnny or Rich.
