

Richard Olsen Orchestra

Since the early 1980's, Richard Olsen has been leading the Richard Olsen Orchestras. Referred to by music reviewers as a "bright and sassy big band" performing staples of the big band genre while also including rhythmic R&B numbers from the songbooks of Ray Charles and Louis Jordan, The Richard Olsen Orchestra heartily combines rock-and-roll with big band jazz. If your social or business function is special, and requires the very finest in dance and in entertainment, then the Richard Olsen Big Band is the answer.
