What We Do

Entertainment Specialists

No matter if someone is turning double digits for the first time, having their bar or bat mitzvah, celebrating a milestone 50th or 100th birthday or anything in between, their life deserves to be celebrated! Innovative Entertainment has all the resources to make anyone's birthday party extra special.

Let Innovative Entertainment bring magic to a kid's birthday party with a surprise visit from a favorite fairytale princess, or an adventure-filled treasure hunt led by a pirate. We can bring the sounds of the island to your birthday luau with a tiki band and a live tiki carver, or rock your eighties party with go-go dancers in their brightest outfits, pumping to the beat coming from a top 80s cover band. Innovative Entertainment has creative ideas to augment every party!

Following is a fantastic custom entertainment proposal for a Hollywood themed 40th birthday celebration event. Contact us and we'll be happy to assist you in creating a wedding anniversary celebration your guests will be raving about for years to come.

At the Entrance

As guests arrive at the venue, the theme of the event is set immediately when they see a **Vintage Automobile** parked in the driveway. Greeting guests is a **Chauffer** dressed to the nines from the time period, posing outside with his beautiful car!

Your guests will arrive at the venue in full Hollywood fashion. Stepping out of their cars onto the red carpet surrounded by **Sky Tracker Lights**, they will be

besieged by the **Paparazzi**, just dying to snap a picture and get the scoop on the event.

Inside the Party

All of Hollywood's most famous legends are in attendance tonight. Guests will mingle and interact with such legends as **Marilyn Monroe, Audrey Hepburn, Mae West, Laurel and Hardy, Clark Gable, and Humphrey Bogart.**

A **cigar rolling station** adds to the glamorous vintage feel and will definitely be the talk of the party! Guests will see

their cigar rolled right in front of them as a historian tells a brief story on the history of cigars. The cigar roller can roll about 50 cigars and will bring about 100 with him to service the guests.

Living Statues evoking the look of the familiar Academy Award "Oscar" will add as special decorative flair to the festivities.

Psychics are available to tell fortunes, read Taro and give palm readings. Everyone loves their fortune told and these shimmering Ladies of Luck give "real" readings that will excite and delight your party guests.

Face Painters will also be on hand to decorate guests with fabulous customized designs

While enjoying the sights and sounds of classic Hollywood, guests can entertain themselves shooting **billiards** on one of several tables throughout the room.

A headliner DJ such as **Grandmaster Flash**, will bring the event to a rousing finale. There are lots of stories about the birth of Rock & Roll, but Hip Hop has founding fathers. One of them is Grand Master Flash. Grand Master Flash & The Furious Five became the first Hip Hop group ever inducted into the Rock & Roll Hall of Fame in 2007. Flash is the only Hip Hop DJ to ever receive that award.
